

15th December 2010

Dear Parents

PREP SCHOOL CAROL SERVICE

The Prep School Carol Service is on Tuesday 21st December at 2.00 pm in the Kelvin Stevenson Memorial Church in Belmont Street.

Parents are very welcome to join us at this service. It is always a special occasion and it would make it even more special if we could fill the church. Obviously I quite understand that work commitments and/or inclement weather might intervene.

Children can be collected after the service from their class teacher once they have returned to school. If you are going to do this please fill in the slip below and return it to your child's teacher before Tuesday.

We will look after those not collected until their normal collection time.

Yours sincerely

Mr A M Brooke
Head of Preparatory School
