

Dear Parents,

Each pupil in P2-P7 has been given a 'Reading Record' to take home this evening. I have also attached a link to a colour copy should you wish to print this out at home. Pupils should fill these in once they have completed a 'home-reader' - teachers will look at these regularly and give pupils feedback on their progress. Pupils will also be encouraged to share their logs with peers to foster discourse about novels; it is hoped that this will lead to pupils recommending books for each other to enjoy.

The parental reading handbook for P1-P7 parents is also being updated; this will be placed on The Academy's web-site (www.theglasgowacademy.co.uk, in the parental information section) for parents to access, by the beginning of next week. Please note that a link to our on-line reading lists are contained within the handbook; if parents have any suggestions re. books for these lists then please contact me through the following e-mail: a.mathewson@tga.org.uk

Yours sincerely

Sandy Mathewson
Assistant Head
