

T H E
GLASGOW ACADEMY

Dear Parents

As university tuition fees are again in the news with Glasgow announcing what they will be charging non-Scottish domiciled students, I thought it might be useful to have a quick overview of the situation at the moment. I have included a timeline of support and events, which will be organised by the school to help with the university application process.

Please note our Higher Education event will take place on Tuesday 13th March in the Cargill Hall, at 7 pm. Further information will be circulated nearer the time.

Yours sincerely

Andrew Evans
Assistant Rector
