

MATHS WORKSHOPS FOR PARENTS

Dear Parents,

Due to the success of previous Maths Workshops for parents, Linda Moon and I have added another workshop this term.

There will be a Fractions workshop on Tuesday 27th October at 4pm in the Senior School on the Kelvinbridge site: Room '0', Mrs Moon's classroom.

Because the workshops are of a practical nature, our maximum number of parents is twenty.

If you would like to attend, please email Margaret Macaulay, the secretary at Atholl, stating your name, your child's year group and a contact telephone number. If the workshops are full, we shall organise another session at a later date. Mrs Macaulay's email address is: m.macaulay@tga.org.uk

We thank everyone for the positive feedback which we have received from previous workshops.

Yours sincerely,

Jean McMorran
Head of Atholl
