

Dear Parents,

During Money Week, which is week beginning 1st June, the Glasgow Academy Enterprise groups across the three Academy sites will be collecting unused Foreign Currency for the British Airways charity 'Change for Good'. In the past, the charity has supported UNICEF's work in over 55 countries. If you have any spare change from holidays abroad may we ask you to put it into the Enterprise-designed boxes which will be located near the reception desk in the main foyer.

Yours sincerely,

Deputy Head of Preparatory School
