

T H E
GLASGOW ACADEMY

From The Head of The Preparatory School:
Tony Brooke Cert.Ed. B.Ed

27th November 2009

Dear Parents,

I have been in contact with Dr Morris, father of Lochlan, about the logistical arrangements for a handful of P6 boys playing tomorrow morning at Stewart's Melville and then going to Murrayfield as part of the Accies mini rugby party to watch the rugby international.

We can take all the boys on the bus from School at 8.00 am, as previously arranged.

Kick off time for the P6 match is 9.30 am. We should be finished by approximately 10.30 am.

We are only responsible for the children who have indicated that they will return on the school bus. Therefore any parents who wish adults involved in the Accies mini rugby party to take responsibility for their children from the end of the match onwards, including transport to Murrayfield, should contact Dr J Morris, preferably this evening, on:

Mobile: 07900 880738

j.morris@northglasgow.scot.nhs.uk (no later than 5.30 pm this evening)

If arrangements have subsequently changed from those indicated on the tear off slip that your child has already handed in, please give me a note tomorrow morning to indicate the new arrangements for your child.

I hope that the boys enjoy the match tomorrow and that Scotland, and Glasgow Academy, are equally as successful!

Best wishes.

Yours sincerely

Andrew Marshall
Assistant Head
