

T H E
GLASGOW ACADEMY

Dear Parents

I am pleased to introduce the first stage in The Glasgow Academys Learning Wall. The wall displays the subjects covered in S1 and highlights the topics covered in each course throughout the year. The S1 Learning Wall is intended to give pupils and parents more detail about the S1 curriculum and when topics are covered in the school year, in a manageable format.

The link to the S1 Learning Wall is:

<http://www.theglasgowacademy.org.uk/ntga/Documents/S1%20Learning%20Wall%20hyper%20v4.pdf>

Once you click on a subject name you will be taken to a page giving greater detail about each course.

We are currently working on the S2 Learning Wall and I will inform you when it is available. I do hope that you find the Learning Wall useful and any comments are most welcome.

Yours sincerely

Brendan Farrelly
Assistant Rector (Learning, Teaching & Attainment)
