Arrangements for S1 Games-Hockey and Rugby-new session.

Dear Parents,

Your son or daughter will be having Games sessions this term on Tuesday and Thursday afternoons for S1 and I would like to pass on the arrangements regarding games for the first two terms.

All pupils will be going out to Anniesland for Games on Tuesdays with the girls going to Top Windyedge Astroturf in Ryvra Road, G13 1XW and the boys going to the School ground in Anniesland Road, G13 1XS. They will be leaving from school at 2.30pm and travelling via McColl's coaches. The normal finish and collection time for all of these pupils will be at 4.30pm at each venue. Please contact enquiries@tga.org.uk should you need information regarding parent-organised transport arrangements, plus if your daughter or son makes their own way home from either of these venues that is perfectly acceptable; however, I would be grateful if you could possibly inform me as to this particular intention. There will be an extra after-school hockey skills session for girls on Tuesdays at Top Windyedge which will continue on from the regular games session and will finish at Top Windyedge at 5.30pm. This will start on Tuesday 30th August and this particular information might help you to plan your collection arrangements on Tuesdays.

There will also be after-school rugby for any S1, S2 and S3 boys interested in further improving their rugby skills and this will be held on Wednesdays at The Academical Club, in Helensburgh Drive, G13 1RR starting on Wednesday 31st August 2011. The boys will be transported out to The Academical Club by bus; however, they must be collected from there at 6pm. Unfortunately there will be no parent-organised school transport available after either the girls' or boys' extra sessions.

On Thursdays, starting 25th August the boys will be going out to the School ground with exactly the same arrangements as on Tuesdays; however, the girls will be remaining in the School Sportshall, Colebrooke Street, G12 8HE where they will cover a different set of hockey skills and will finish on Thursdays at 3.50pm.

Please do not hesitate to contact me via enquiries@tga.org.uk or on 01419426634 if you require any further information.

I wish you and your children a very happy year ahead and I am looking forward to seeing them all when school starts on Wednesday 24th August 2011.

Yours sincerely,

Sheila M Crawford
