

Dear Parents,

The new term starts on Wednesday 24th August 2011 and as you will be aware this is Senior Games Day and this e-mail is a reminder that Senior Games WILL be happening on this date. I have also attached the lists of choices that were confirmed at the very end of the summer term.

If your child's name does not appear on any of these lists or if they feel that an error has been made, can they please come along on the 24th August prepared to participate in one of the following activities:-

Rugby-Boys only
Hockey-Girls OR Boys
Netball/Aerobics-Girls only
Badminton-Girls OR Boys
Curling-Girls OR Boys

Unfortunately the other activities on the lists are currently now full and they cannot accept any further additions. I want all of the young people The Glasgow Academy to get maximum enjoyment and participation from their Senior Games experience and with your support in ensuring that your child actively takes part then this will happen. For most of our S4 and S6 pupils Senior Games will be the only curricular physical activity that they will experience this year and my aim is for all pupils to enjoy working with our highly qualified and experienced staff that they will meet on Wednesdays regardless of the chosen activity.

I will be meeting with all S4-6 pupils during the course of the morning on Wednesday 24th August to sort any final problems out. In the meantime, please reply to this e-mail should you have any questions.

Yours faithfully,
Sheila M Crawford
Sheila M Crawford
Head of Games
