Work Experience 2011.

Dear Parents,

As you may know, the Careers Department organises Work Experience for our Senior Five pupils, after the Higher Examinations in June. This is a worthwhile opportunity for pupils to experience the world of work and how different it is from school!

For most pupils, the earliest opportunity for this Work Experience would be the week beginning Monday 6th June 2011. Some pupils may be available slightly earlier, depending on examination times. In addition, Work Experience can also take place during the summer holidays.

In the past, parents have very kindly offered Work Experience in a variety of occupations. This would ideally be for 2 or 3 days only, at a time convenient to you, preferably in late May or early June.

If you feel that you could help, could you please email me, careers@tga.org.uk preferably by Monday 28th February.

Over the last few years, I have had a very positive response from many parents and as a consequence I have built up a database of Work Experience placements.

If you have offered a placement in previous years and are happy to do so again, could you please email me to confirm this, as it is important that I have an email contact.

If you have any queries please do not hesitate to contact me here at school.

Thank you, in anticipation,

Elaine F. McCallum

Elaine F. McCallum.
