Dear Parents

Learning Support Provision in P1 to P4

Learning Support at the Preparatory School is provided by Mrs Middleton and Mrs Trainer. Mrs Trainer works mainly with pupils in P1 to P4, providing an 'early intervention' service. Early Intervention, through careful assessment and targeted support, seeks to address any difficulties in the learning and teaching process before they have the chance to grow and be compounded. In a nutshell, early intervention catches things early on in the child's school career.

Mrs Trainer will be a regular visitor to the P1 to P4 classes and will work with a wide range of pupils. Areas that she may focus on include concentration skills, fine motor skills, phonological awareness etc. Please do not be concerned if your child does (or does not!) work with Mrs Trainer. If we feel that your child has any notable issues in relation to learning we will contact you personally.

If at any time you have concerns about your child's learning, please do not hesitate to contact Mrs Trainer, Mrs Middleton or myself.

Yours sincerely

Mr R Teall
